Made to Order Sushi & Poke Bar

My Kitchen ... My Utensils ... My Creations!

Chef Masa was born in Osaka, Japan and was inspired by his Chef father. As a child, he watched his father and developed a passion for the art of Japanese cuisine. Chef Masa specializes in Omakase Kaiseki menus, very traditional Japanese (haute cuisine) menus consisting of a sequence of dishes, each one often small and artistically arranged. Customers ordering *omakase* style expect the chef to be innovative and surprising in the selection of dishes, and the meal can be likened to an artistic performance. His creations are inspired by the four seasons. Chef Masa's favorite menu item is Blue Fin Tuna. He has worked at Yamaha Resort Hotel & Kobe City Hotel in Japan and the Hanamaru & Hamaei Japanese Restaurants and Okada Sushi in Vancouver.
